

If you wish to apply for funds for **dentures or partials, or for extractions in order to receive dentures or partials** you must follow these procedures:

- 1) Contact the New Opportunity School for Women **first** to inquire about funding availability.

- 2) Talk with the dentist who will be doing the work and ask him/her to send directly to the NOSW an estimate of work to be done. If you submitted an estimate in the past and did not receive assistance you must resubmit an estimate.

- **NOTE:** In order to help as many graduates as possible, there is a **\$1,200.00 limit per person depending on available funds.**

- 3) Please direct questions from your dentist to:

Susan Jordison, Office Manager
The New Opportunity School for Women
204 Chestnut Street * Berea KY 40403
859-985-7200 * sjordison@nosw.org

Once the estimate is received we will then be in touch with the dentist to authorize that the NOSW will pay for a specific amount. You will then be notified that you can proceed with the work.

The dentist will be paid directly according to the amount authorized by the NOSW. Any dental expenses other than the amount authorized will not be covered by the NOSW.
